MEMORANDUM FOR: Deputy Director for Administration  
FROM: Deputy Director of Central Intelligence  
SUBJECT: First Quarter Assessment of Language Incentive Program

1. I wish to make a preliminary assessment of the Language Incentive Program in terms of directorate adherence to a common standard for establishing Unit Language Requirements (ULRs), current and projected costs, and the surfacing of any problems which have arisen in the first quarter of its implementation.

2. The Language School will supply each of your representatives to the Language Development Committee (LDC) with current data concerning the number of ULRs each directorate has submitted, per cent of fulfillment of those requirements, and Language Use Awards processed to date with attendant and projected costs. On the basis of this data and your own analysis, please submit a report to [redacted] Chairman, Language Development Committee, by 11 January 1980 addressing:

a. The specific criteria used in establishing ULRs which are defined as positions in which a foreign language is required to perform the job.

b. Your ability to accommodate current and projected costs of the program.

c. Any problems or apparent benefits which have or are likely to emerge as a result of the program.

3. The Chairman of the Language Development Committee, upon the receipt of your reports, will recommend to me by 18 January 1980 necessary adjustments or interpretations which should be made in the administration of the program.
